"This is Miss Ella. I'm calling to see how long is this Haiti drive is going to go on so I can turn off my radio. Haiti ain't the only one that needs some damn help! Charity starts at home! Haiti needs a brand new island! AIN'T NOBODY OUT TO FINANCE THAT!!! You all are hustling! You're hustling the town! You all are wrong! You're wrong! You are abusing the airwaves! You're abusing the kindness of this town! I hope your signal dies!"
